AACE Nigeria (Port Harcourt Section)

Resource provided by [Andrew Shadrach Osayande](#)

Access to AACE Nigeria home page and resources added to PM World Library

6 October 2016– Akure, Ondo State, Nigeria – Access to a new resource has been added to the PM World Library related to the project management profession. The new resource is titled “**Association for the Advancement of Cost Engineering (AACE) Nigeria**”

Based in the United States, AACE is an association that pursues attainment of organizations’ strategic objectives using Total Cost Management as a viable model. It provides a platform for professionals in multifarious areas of practice to coalesce best practices and proffer solutions to the many challenges of our time. AACE also provides access to over 4,500 articles and recommended practices that address your needs as a Project Management practitioner.

To access this new resource, go to <http://pmworldlibrary.net/ppm-profession/>, click on P/PM Professional Organizations (by Geography), then click on Africa (central and North) and scroll down to Nigeria. Free access but must be a registered and logged in to access.

For PMWL Post

[AACE Nigeria \(Port Harcourt Section\)](#) – *The Association is dedicated to the tenets of furthering the concepts of total cost management and cost engineering through a systematic approach to managing cost throughout the life cycle of any enterprise, program, facility, project, product, or service.
