

Project Management in Spain: Monthly report

End of September 2017

*By Alfonso Bucero MSc, CPS, PMP, PMI-RMP, PfMP, PMI Fellow
International Correspondent
PM World Journal*

Spanish Project management activities are restarting on September

AEDIP (Project management Association from the Construction Industry), organized an event on last September 21st where joined 120 project professionals at “Colegio de Ingenieros de Canales y Puertos” in Madrid (Spain), to debate public and private collaboration contracts and Project management.

They were analyzing, from different point of views, what the best practices should be in order to allow a successful implementation, taking into account that we are talking about long duration contracts (usually from 10 to 30 years) where remuneration is linked to the appropriate performance. At this event attended construction, consultants, engineering and Project Management firms, who added and Shared their experiences about that type of contract, locally and internationally.

The event program was as follows:

Opening Session – Leticia Saucó Sevilla (AEDIP President)

Leticia welcomed all the attendees and introduced the event agenda:

The value shared among PPP Contracts and Project Management.

“PPP trends in the Market” – Pedro Michelena Izquierdo (INFRAESTRUCTURAS fórum President)

Past lessons learned and future ideas for a new collaboration public-private model.

“The PPP cycle and the PPP Certification Program – CP3P ©” – Andrés Rebollo (K-Infra CEO)

The PPP cycle from from its identification to delivery and operation. PPP Certification Program.

“Smart Cities and PPPs” – Miquel Rodríguez Planas (IESE Manager – PPP for Cities) Cities have been converted into a World engine on the 21st century. Smart cities are offering solutions to the urban challenges.

“International Project Management View” – Claudia Alcelay Larrarte (PMI Madrid Chapter President)

The worldwide increasing demand of the Project Manager: the ideal profile.

“Stakeholder’s management” – Germán Pineda Ochoa (ICEACSA, regional manager)

The PPP’ stakeholder’s involvement and the harmonization of public and private interests. PPP structuring examples in concessions of Infrastructures and Public Construction at Latin America.

“Risk management for PPP projects” – Fernando García Canales (Financial Advisory Manager – DELOITTE infrastructures)

Project risk analysis at its different phases and its effects from the different involved agents.

“PPP Contract management Foundation” – Victor Fco. Rosales Prieto (HEYMO engineering, Project Manager)

The Project life cycle and the *stakeholder's* structure in the PPP contracts. Contract governance: relations management, performance management and administrative management.

“PPP technical criteria evaluation review” – Guillermo Albrecht Arquer (TYPESA, Infrastructure Management Director)

The technical assessor job facing the rest of stakeholders in a PPP project. Lessons learned on strategic objectives management.

“Design and BIM Management” – Carlos Valverde (Associate at ARUP)

Standards, use and BIM methodology implementation levels. The *BIM Manager role*. Practical examples.

“Current trends on PPP projects delivery” – Javier Tomás (Business Development Manager at ACONEX)

How to manage Project delivery: trends and experiences on information management.

Round Table “The Project management vision from the different PPP stakeholders”

Facilitator: **Joaquín de Hita Alonso (AEDIP – TECNICAS REUNIDAS)**

Concessionaire vision: **Carlos Royo Ibáñez (IRIDIUM Concesiones)**

Engineering vision: **Alberto Martínez Lage (LKS)**

Investor vision: **Sergio Rodríguez Casado (MERIDIAM)**

A very interesting event where Speakers Shared their different visions and perspectives according different markets.

TODAY IS A GOOD DAY but TOMORROW WILL BE EVEN BETTER!
