### **The PMI Andalusian Chapter was chartered by PMI and delivered its first Chapter meeting in Seville**

On February 23rd, 2018 the PMI Andalusian Chapter made happen its first Chapter event in Seville. More than one hundred professionals attended that event, demonstrating their courage and commitment with the profession. The event atmosphere was plenty of enthusiasm and energy betting for the project management development in the Andalusian Spanish Community. All the speakers delivered their presentations with energy and enthusiasm.

We must remark the well-organized event by a great volunteer professional team, all of them Chapter volunteers that have been working on creating the Chapter for six years ago. At the following picture appears the whole Project team, led by Mr. Martin Bravo, PMI Andalusian Chapter Sponsor and potential future president of its Board of Directors.

Congratulations to all volunteers that made possible this PMI Chapter formation and thanks to PMI for their unconditional support. CONGRATULATIONS! It was a real pleasure and satisfaction to participate on your event.

**TODAY IS A GOOD DAY, but I am sure that working hard as volunteers TOMORROW WILL BE BETTER!**
